

PRODUCT OVERVIEW

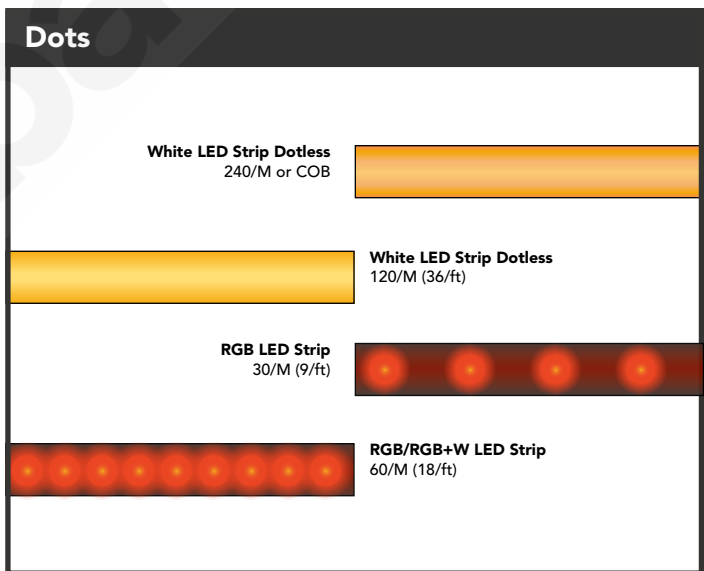

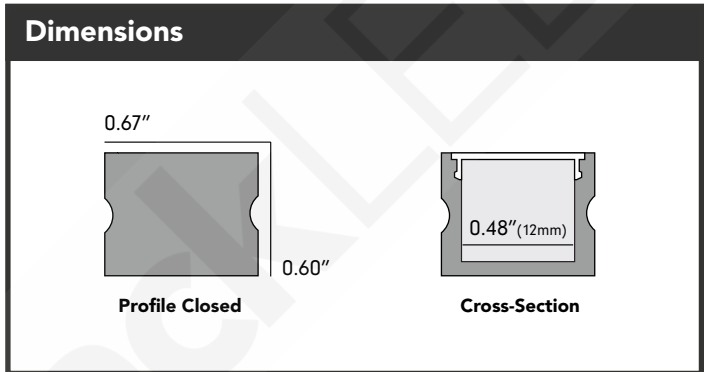

Aluminum Profile "B3" is our most popular DOTLESS Aluminum housing for LED strips. When paired with our "DOTLESS," high density LED strips, Aluminum Profile "B3" casts an evenly diffused line of dot-free LED lighting. Its slim and low-profile design makes it well-suited for cabinet lighting, and other decorative and task lighting applications. Made of premium aluminum alloy, Aluminum Profile "B3" dissipates heat generated by your LED strips to maximize their lifetime. A universal extrusion for LED tape! Aluminum Profile "B3" can accommodate any waterproof or non-waterproof LED strip up to 12mm (0.47") wide. Aluminum Profile "B3" is conveniently sold in 8ft lengths as a completed kit including a pair of end-caps, mounting clips, and one premium polycarbonate UV-resistant frosted lens.

Features

- Slim, low-profile design, for discreet linear LED lighting applications.
- Easily concealable.
- Maximizes lifetime of LED Strips through heat dissipation.
- Fast, headache-free clip mounting system.
- Protects LED Strips from water and elements.
- Well-Stocked and ready to ship from Miami, FL.
